MEMORANDUM FOR: SSCI Follow-on Report Working Group Members

SUBJECT: Draft SSCI Follow-on Report

25X1

1. Attached for your review and comment is a draft of the follow-on report to last summer's SSCI study. At this point we are a couple of weeks behind schedule, but if all goes well we should complete our task within a few more weeks.

25X1

2. The attached draft is missing an executive summary and a completed section on programmatics, e.g., cost. The latter will be available when we meet to review the report and the former will be written subsequent to that meeting.

25X1

3. The working group will meet on 13 January 1988 in the Building between 9:30-12:00 AM in room 6N02 to coordinate on the draft. Please be prepared to offer substitute language when proposing major changes. Editorial/clarity "fixes" should be left at the conclusion of the meeting for incorporation in subsequent drafts.
